

Principal: Emma Smith

Dear Parent/Carer,

### **PE Lessons at Leigh Academy Blackheath**

I am pleased to announce that from Monday 17th September 2018 PE lessons will be taught at the Hervey Road Playing Fields (100 Hervey Road, London, SE3 8BX). This site is now being managed by Blackheath Rugby Club and we are delighted to be working in partnership with them to deliver a rich PE curriculum at Leigh Academy Blackheath.

Our PE lessons are 2 hours in length to allow for movement between sites using our school minibus. PE classes will be supervised by 2 members of staff and students will use the changing facilities at Hervey Road. Your son/daughter has been briefed on the procedures for our PE lessons, and in order for the transportation of all pupils to run smoothly, their behaviour must be impeccable. Students will need to have their complete PE kit to participate fully during the lesson. Please look on our website for a list of PE uniform.

### **Extra curricular clubs**

We will utilise the Hervey Road Playing Fields for some of our after school extra curricular clubs. Transport and changing arrangements will be the same as those used during curriculum time. Attached to this letter is our extra-curricular clubs and societies timetable for Module 1 and 2; these will run from 3:00-4:00 pm (unless stated otherwise). Students will need to sign up for those they wish to attend but there may be a waiting list implemented if clubs become oversubscribed.

If you have any concerns regarding the transportation arrangements between Victoria House and Hervey Road please do not hesitate to contact us at: [info@leighacademyblackheath.org.uk](mailto:info@leighacademyblackheath.org.uk)

Kind regards

Emma Smith  
Principal
