

Principal: Emma Smith

Thursday, 31st January 2019

Dear Parent/Carer,

Tuesday 5th February is the 2019 UK Safer Internet day. We take online safety very seriously, and each module we address this across our curriculum: in computing, LAB Learner Lessons, assemblies and through our tutor time programme.

During the week beginning 4th February, students will be engaging with specific activities around this year's theme: 'Together for a better Internet'. I would like to take this opportunity, therefore, to direct you to some fantastic family advice and activities, which you may find useful, on the UK Safer Internet Centre at: <https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2019/education-packs/activities-parents-and-carers>

As you know our students use their chromebooks everyday at Leigh Academy Blackheath. They have access to the VLE library, Doodle and their google classrooms; these allow them to access their learning at both school and home. The devices are an essential learning tool for our students and therefore we ask that all parts of the chromebook agreement are adhered to, in particular:

- The chromebook should be brought into school everyday, fully charged;
- Where there is any damage to the chromebook, it is your responsibility to contact the insurance company and arrange for the repair of the device;
- Only the student's school email should be used on the device.

Your sincerely,

Debbie Donnelly
Director of Improvement for Mathematics
MYP Coordinator

Where tradition meets innovation and potential is realised within a nurturing community
