

Date: Friday 19th September 2025

Issue: 3

Item
<p>Greenwich Flu Season - Community Clinic</p> <p>Please find attached a leaflet from the South London Children and Young People's Community Immunisation Service detailing where you are able to obtain a flu vaccination.</p>
<p>Clubs and Societies Timetable Module 1&2</p> <p>Please find attached the updated poster for our Clubs and Societies being offered during Modules 1 and 2. Your child is able to sign up to a club on Student Portal or alternatively you can sign up on their behalf via MCAS. If you were unable to sign up for whatever reason, please encourage your child to still attend the club and ensure they let the teacher know.</p>
<p>Year 7 - Residential Trip</p> <p>What an absolutely fantastic adventure it's been for our Year 7 students! We've been so incredibly proud of how they embraced every challenge, conquered fears, and represented LAB with such enthusiasm and resilience.</p>
<p>Year 11 - Progress Fair</p> <p>This week, the Post-16 Progress Fair was held at Woolwich Works, giving our students a fantastic opportunity to explore the courses, colleges, and sixth form providers available in the local area.</p> <p>It was great to see them so engaged with their next steps and already setting ambitious goals for the future.</p> <p>As our students plan ahead, it is also a timely reminder of the importance of revision. Building good study habits now not only supports success in upcoming assessments, but also prepares them for the independent learning skills they will need in further education and beyond.</p>
<p>Year 9 - Williams F1 - STEM experience Day</p> <p>A selection of year 9 students have had the most fantastic day learning what it's like to be engineers at Williams F1.</p> <p>Students took part in a design challenge; making prototypes of nose cones, which were then tested to destruction in state of the art testing facilities. The winning team ensured their design came in under budget, presented their ideas clearly and got the lowest newton score in the force test.</p>

They then had the opportunity to drive the simulators around three world famous tracks, including Silverstone. Before having a guiding tour around the museum and learning about the history of the Williams Team. It was a great day, enjoyed by all.

Parentpay - Fraudulent App Alert

We have been alerted by Parentpay to a fraudulent app in the Apple App Store that mimics ParentPay branding. ParentPay have been working closely with Apple and have removed it, however if you feel that you may have been affected, please contact your college admin.

Young Minds - Support for Families

Please see the [link](#) to Young Minds to access resources to support your child's mental health.

School Photos

Vancols will be visiting us on Friday 26th September to take individual school photographs that will be available to purchase for students in years 7 to 11. Please ensure on this day that students are in full school uniform. If they have a PE lesson they are to bring their kit with them.

National College Guide

This week's guide is about Snapchat and can be viewed [here](#).

Late Detentions

Just a gentle reminder that late detentions now take place after school every Wednesday, to encourage punctuality and help every student get the best out of their learning. Lessons start at **8:30 am**, and arriving on time sets students up for a positive, focused day of learning.

From Thursday to Wednesday each week:

- **One late arrival = 30-minute detention**
- **Two or more lates = 60-minute detention**, with extra support offered by tutors if needed

Even being just a few minutes late can add up to days of missed learning over the year, but with your support, we can help students build strong routines that will benefit them now and in the future.
