Year 11 and 13 interventions

We will be hosting intervention sessions for Year 11 and Year 13 students next week. If your child has been invited, a bespoke plan is now available for you to view via MCAS.

Year 9 Assessments

As outlined in the letter sent to parents, in the week after Easter Holiday on Tuesday 14th and Wednesday 15th April Year 9 students will sit assessment in English, Maths and Science. As stated in the letter these assessments should not be a source of anxiety for your child. We are merely completing normal Year 9 assessments in the Theatre in a GCSE setup to give them a first experience of formal examination arrangements. An assembly was delivered to Year 9 on Monday 23rd March, a copy of the slides can be reviewed through the link below.
